Apartment for rental in Jardin Alpin Courchevel 1850

Opening onto the slopes, this suite has a magnificent snow-eye-view of the Jardin Alpin's pine trees from your very own private balcony, which opens into the snowy slopes. With a design aesthetic that is heavily inspired by the history of the region, it brings together antique wood furniture, one-of-a-kind ornaments and sumptuous paintings.

Sit under the oak-panelled walls or in one of the deep armchairs and drink in the sophisticated design.

With every modern amenity on hand, as well as a hammam and a deep bath, you'll feel both inspired and relaxed.
