Lamps, furniture, the design wheeled armchair and the smart use of wood transformed the Carré Blanc in a true architectural jewel. Combined, the light brown, white and grey give it a contemporary style while the wood reminds you that you are in a ski resort in the french Alps. The stone and wooden walls bring out its traditional and chic side, as well as the open kitchen, modern and refined.

You will appreciate the moments spent in your private sauna, what can be better than eliminating the toxins after a long day skiing on the slopes of Courchevel. Two balconies with views on the village and the mountains are at your disposal for relaxation in the wintry wind to refresh mind and spirit.
