Information Apartment in Courchevel 1850

- M² built: 450 m²
- 4 Bedrooms

Exceptional duplex Apartment measuring 450 sqm and offering : 4 bedrooms, 4 en-suite bathrooms with Jacuzzi, a 100sqm lounge with working fireplace and a fully-equipped kitchen. A most impressive view over the Alps and the resort is visible from the balconies during daytime as well as night-time.

The decor is a faultless creative blend between a city-like soberness, worthy of a New-York loft, and the charming cosiness of a mountain chalet. The dark wood furniture, minimalistic and uncluttered, the wooden floor made out of long golden slats and the leather padded bedhead combine with thick hangings and plush carpets.
