This is a luxury apartment to rent with 2 bedrooms. Beautiful apartment of 65 m² fully equipped completely renovated in 2017. Located Route de la Renarde, you will be close to the slopes but also all the shops (bakery, butcher, grocery store, ski shop). You will be delighted by the ideal location of this well-designed apartment.

Méribel itself provides the perfect conditions for beginners and early intermediates to quickly improve their skiing, with a range of challenging and not-so-challenging descents. The facilities for snowboard holidays are superb, with three snow parks and pipe options in the Méribel sector alone. There are many more very well-maintained parks throughout the Trois Vallées, all easily accessible and feature a good variety of hips, slides, and jumps to suit all abilities. There is also a border cross course for varying levels of potential snowboard racers!
