The apartment is a mountain apartment with one bedroom and a sleeping area, located in Méribel center on the first floor of the residence. It benefits from a convenient location in the heart of the resort but also offers the advantage of being located close to the ski slopes. Everything is close: the tourist office, shops, bars and restaurants, ski school... It is one of the best locations in the resort.

The apartment is an apartment with a typical Savoyard style. Old light wood is omnipresent in every room: walls, furniture, decorative elements... Everything reminds you that you are in the mountains. The fabrics are a blend of warm colors and patterns typical of chalets and apartments in the Alps.

The living room with the dining room and open kitchen gives access to the balcony. In the morning, when you draw the curtains... You have a ringside seat facing the mountains.

The apartment is the promise of good moments of sharing and conviviality for its four occupants. Pets are welcome.
