The apartment of the new upscale residence is a luxury apartment in Courchevel Village. It benefits two ways as it is located in the heart of the resort but also offers the advantage of being just steps from the ski slopes and ski lifts.

The Residence offers para-hotel services worthy of the finest establishments: reception and concierge services, relaxation area with a steam room and sauna. The Apartment has a private parking space, located in the underground garage of the residence.

The warm colors, wood, stone and clean lines of the decoration give the apartment a cozy atmosphere, halfway between the contemporary spirit in vogue and the traditional Alpine feel very sought after in Courchevel. From carpets to walls, to duvets and cushions, the majority of the apartment was considered in white. Polar bears and snowy landscapes paintings on the walls, everything reminds you of your ski holidays in the Alps.

The apartment is composed of two en suite bedrooms and beautiful living areas promises comfort and good moments for its four occupants.

Guests have free access to the fitness area, located on the first floor of the residence. A shuttle to the aquatic center Aquamotion is accessible in front of the residence, on rue des Rois.
