Information Apartment in La Porte de Courchevel, Courchevel 1850

Exquisitely apportioned residence with jaw-dropping views across the Valley, slopes and the heart of Courchevel 1850's Village.

Taking over the entire 7th floor, it provides a total space of 220 square meters (2,348 square feet). With a meticulously staged decoration that worth admiring, the modern interior respects the traditional mountain surroundings to enhance the warm alpine setting presented by this magnificent Residence. With expansive windows to invite natural light, private balconies and terraces as well as a cozy living and dining area; this secluded hidden gem presents a spectacular sight at every turn, boasting spectacular views to the slopes, mountains, heart of Courchevel 1850's village, and snow-covered rooftops. Each room was carefully designed to provide the epitome of luxury, using a palate of light colors giving a feeling of calming comfort with beautiful highlights of fine porcelain tiles (grès cérame) and flamed grey and beige stone. Sustainably sourced spruce timber is used for dramatic feature walls, with heavy woven natural fabrics from top designers featuring for soft furnishings.
