2 bedroom apartment with 58 sqm in Val d'Isère luxurious apartment for rent

This is a luxurious apartment in Val d'Isère. It enjoys a privileged location in the centre of the resort. Everything is nearby: shops, tourist office, restaurants. The ideal place to spend successful winter holidays.

This apartment provides an open kitchen, a lovely living room and dining area. The decoration is in the purest savoyard style with noble materials such as wood, leather or local patterned fabrics, contrasted by contemporary elements of décor, with sleek and minimalist lines or materials used in our era.

You will be amazed by the view on the station the balcony offers. The night area hosts two beautiful rooms and a pull-out bed, ready to accommodate four adults and two children.

The residence has a sauna and a fitness room, for those who have still energy after a long day on the slopes.
