Beautiful duplex apartment for rent in Val d'Isere with 4 bedrooms for 8 guests with 125 sqm

The beautiful duplex apartment located in the residence comprising just seven apartments, enjoying an ideal location on the Avenue Olympic. It is only a short distance from the shops and old town of Val d'Isere.

You will find the snow front with the main ski lift departures just a few minutes' walk away and you are able to ski back to the front door. Located at the foot of the Solaise forest on the third and fourth floor of the residence, this beautiful apartment of 125 m² has been designed to maximize the entrance of natural light in the living areas, creating a lovely welcoming feel. Its interior, which combines modern decoration and local alpine materials, gives the apartment an authentic charm.

Lorenzo can accommodate up to 8 guests in its four bedrooms, all of which have ensuite bathrooms. On the main floor, you will find 3 bedrooms with private west-facing balconies: a master bedroom with both a bath and shower, one double/twin bedroom and a bunk room with two bunk beds. The final double/twin bedroom is on the upper floor of the apartment and boasts a stunning view from its full-height windows. There are two separate balconies leading from the living area, offering beautiful views of the village of Val d'Isere and the famous piste 'la face de Bellevarde'.

Inside, the layout is both comfortable and practical, with seating around the fireplace and large TV for relaxing in the evenings. The kitchen with breakfast bar is generously equipped (including a Nespresso machine and separate wine fridge) and leads conveniently to the dining area.

This is the perfect apartment for family or friends, giving you the best location for both skiing and exploring this high-altitude resort. The duplex bedroom and bunk room allow for flexible sleeping arrangements.

As with all apartments, you still benefit from our world-class concierge service before and during your stay. Along with a welcome basket complete with Perrier Jouet Champagne and daily cleaning, this isn't a standard self-catering holiday.

Why not make the most of our additional services such as our boulangerie breakfast delivery or pre-arrival shopping service? We can also arrange ski hire, ski guides, lift passes, transfers, nannies, restaurant reservations to resort activities and much more, even taking delivery of food services such as Hu.ski.

The apartment is fully wheelchair accessible with the exception of the fourth bedroom on the upper floor.
