Fantastic apartment in Val d'Isère for rent with 4 bedrooms and 135 sqm

This is a fantastic apartment, part of the re-development of the famous Hotel l'Avancher. Located in the Residence Myrtille, it is part of a collection of just seven apartments. Situated just five minutes' level walk to the Old Town, the old heart of Val d'Isère, you can enjoy the quieter relaxed atmosphere by strolling amongst the historic wooden buildings and exploring the beautiful village church. The superb location is ski-in, meaning you can ski back directly to the front door and in the morning, there is a simple walk to the bottom of the Solaise to get to the pistes.

Sleeping eight guests in four double en-suite bedrooms, it has been tastefully designed in a contemporary Alpine style. The open-plan living and dining areas are comfortable and lead to your private terrace with views of the iconic La Face piste. The kitchen is well equipped with a dishwasher and wine fridge.

The heated ski and boot locker is located at the entrance to the building, and there is a utility room inside the apartment conveniently located for you to store your ski wear. The apartment comes with a covered parking place means you can easily drive to the resort from the airport.

Leaving it on foot, you join the main avenue running through the village giving you great access to Val d'Isère's large choice of shops, bars, cafes and restaurants.

Make the most of your stay by letting it organise all aspects of your holiday such as ski lessons, nannies, activities and your lift passes and ski hire equipment will be delivered to your door. We can also organise breakfast basket delivery and pre-arrival shopping if needed. Let us make your holiday as relaxed and enjoyable as possible.

The partment is fully wheelchair accessible, with the exception of one ensuite bathroom.
