Apartment for rent with 117 sqm and 4 bedrooms in Courchevel 1550 Village

Built on the model of a mountain hamlet in Courchevel Village, the Alpamajor residence benefits from a location close to the Grangettes cable car. Generous spaces and preserved views of the mountain thanks to a cascade of volumes make this residence stand out.

This is a five-room duplex apartment. It has four en-suite bedrooms and a large living room with a lounge, dining room and open kitchen. Softly shaped furniture, soft materials and a glass fireplace create a serene and enveloping atmosphere.

Beyond this unique atmosphere, the apartment will seduce you by its location near the slopes and 150m from the shops and restaurants of Courchevel Village. On the tip of your skis: the 3 Valleys area will invite you to explore the slopes of Courchevel, Méribel and Val Thorens without limits.
