## Apartment with 140sqm and 2 bedrooms for rent in Courchevel 1550 Village

Built on the model of a mountain hamlet in Courchevel Village, the residence benefits from a ski in/ski out location, facing the Grangettes cable car. This is one of the semi-detached chalets offered in this prestigious development. It combines a strong mountain identity with a touch of modernity.

This is a duplex apartment with four double or twin bedrooms and two bathrooms with walk-in showers. The large living room with cathedral ceiling faces the alpine landscape behind the glass wall. A double-sided fireplace provides gentle warmth, while naturally delimiting the spaces. A beautiful combination of pure lines, old wood and a palette of shaded colours, the interior atmosphere is serene and up to date. For your relaxation, the Alpamajor Illi offers a private sauna.

Beyond this unique atmosphere, the apartment will seduce you with its ski in/ski out location and 150m from the shops and restaurants of Courchevel Village. On the tip of your skis: the 3 Valleys area will invite you to explore the slopes of Courchevel, Méribel and Val Thorens without limits.
