L'Appartement is a charming Alpine refuge. Its spacious interior, decorated in natural wood and bathed in light, its comfortable sofas and soft blankets will warm you up after the bracing cold of the French Alps. Here, contemporary design combines the essence of the Alpine spirit with everything you could dream of for your family ski holiday. With its seven bedrooms and bathrooms, the flat can accommodate the whole tribe, allowing you to enjoy special moments with your loved ones.

When you wake up, head out onto the bedroom balcony to enjoy the magnificent views over the valley. Perhaps you can even plan your skiing itinerary for the day! After a delicious breakfast, relax on the sofa with a good book while the kids play in the indoor pool. Once they've finished, head into town for lunch at a local restaurant and do some shopping in the resort boutiques. Then collect your skis from home and walk to the nearby slopes! Once your afternoon in the mountains is over, enjoy a moment of relaxation, chocolate for the children and mulled wine for the adults. Gather everyone around the retro fireplace in the lounge while dinner is being prepared, and imagine your adventures for the next day!
