This spacious and thoughtfully designed property features 5 bedrooms and 5 bathrooms so it can easily accommodate 10 people. Needless to say that the property offers all you need for your stay: a fully equipped kitchen, linen, towels, toiletries in every bathroom, to name a few. Furthermore a covered garage with a heated ramp access and a ski room with boot heaters are at your disposal.

The location of the property is convenient, offering good sunlight in each room throughout the day and only 10 minutes away from the center of Le Praz. Located at the foot of Courchevel, Le Praz is a picturesque French Alpine village filled with beautiful traditional wooden chalets - as it is still quite untouched by the glamour of its neighbour, it has kept a community vibe with a strong permanent population, fair prices and most importantly, its authenticity.

It has the most satisfying hardwoods that a furniture maker can encounter - the structure of the wood is so hard that the sharpest of tools are required to work it, allowing to cut the finest details and form the most delicate shapes.

The home truths:

- The two bedrooms downstairs are at level -1. There is some natural light but only through skylights (i.e. not direct).
- A new construction is being built next to the apartment, however there will be no work during the winter season. The view is unfortunately impeded by the construction for the time being, but you can still

enjoy the enchanting surroundings. Additionally, the property offers a great location as it is ski-in/ski-out, and benefits from a private hot tub and sauna.

- There is no front desk on this site. That being said, all of our properties are equipped with a digicode and your access code will be sent to you via email and text message one day prior to your arrival. In case you need any assistance, we have on-the-ground staff.
- It is located by the slopes but slightly off-center from Le Praz, approximately 10 minutes walk away.
- End-of-stay cleaning is included and you have the option to benefit from cleaning and laundry services during your stay on request, as a supplement. Linen (sheets, pillowcases and bed covers), towels and bath mats are provided.
- Our neighbours are really nice locals known to be early birds, therefore we kindly remind you that parties and other loud festivities are not allowed in the property.
