In this apartment, you are at the very top of Courchevel. Not only is this residency located in Courchevel 1850 (i.e. 1850 meters above sea level), you are also on the upper part of this area of the resort. Needless to say that the view is therefore breathtaking. The location offers other benefits: ski-in and ski-out is guaranteed; also, the ski school is just across and last but not least, there are plenty of options for outdoor activities nearby, such as the "Chemin des ecureuils" (literally the "squirrels path") for hikes in summer or cross-country skiing and snowshoeing in winter.

It is a beautiful upscale apartment that offers 3 bedrooms and 2 bathrooms (one of which is ensuite) plus a separate toilet. Located on the 4th floor of the building, it comfortably accommodates 4 adults and 2 children. It features a total surface area of 63sqm and was recently refurbished. The first and the second bedrooms offer double beds while the third one is equipped with single bunk beds.

The property offers all you need for your stay: a fully equipped open kitchen, linen, towels, toiletries in every bathroom, to name a few. Furthermore a covered garage and two private ski lockers are at your disposal. Last but not least, a private sauna is at your disposal.

The home truths:

- All balconies in this residency are unfortunately currently closed for security reasons.

- Two of the bedrooms do not benefit from natural light (no window).

- End-of-stay cleaning is included and you have the option to benefit from cleaning and laundry services during your stay on request, as a supplement. Linen (sheets, pillowcases and bed covers), towels and bath mats are provided.

- Our neighbours are really nice locals known to be early birds, therefore we kindly remind you that parties and other loud festivities are not allowed in the property.
