All you have to do is cross the road to discover two of the resort's unmissable 5-star luxury hotels. At Courchevel 1850, anything is possible: a thousand and one activities are available depending on the season. Even the most ambitious! These include heli-skiing, ice climbing, paragliding, hot-air ballooning, helicopter rides, dog sledding, gourmet dining and nightlife. The residence is perched on the edge of the famous "BELLCÔTE" slope, so adventurers can put on their ski boots early and set off to discover the Trois Vallées ski area, the largest in the world. Each flat has a bedroom, bathroom, dining area, fully-equipped kitchen and flat-screen TV.
