The perfect haven for your luxury holiday in the Alps. The beauty of its typical façade hides a meticulously decorated interior, an original interpretation of classic Alpine style. All in natural wood with touches of leather and fur, this unique décor will immerse you in the spirit of the mountains, creating a warm and cosy atmosphere. When you wake up, head to the kitchen to make yourself a delicious cup of coffee, then step out onto the balcony and breathe in the fresh morning air. Then get the whole family ready for the traditional ski boot fitting! Once you've had your fill of snow on the slopes, head home to warm up in the sauna. Ask your Tailor to recommend the best restaurants in the resort and spend the evening in town before returning home for a nightcap!
