* Please note, this property is in the final stages of a complete refurbishment and these pictures are computer generated images by the interior designer to show what the chalet will look like.

Is one of the apartments in the new residence, built in 2023 in Courchevel 1850. A ski in/ski out residence featuring luxurious amenities and a Spa with indoor pool, massage rooms, gym and relaxation area.

On the 4th floor of the residence, the apartment is a duplex hosting 8 people in its 4 double bedrooms with en suite shower rooms. The living room features a kitchen, dining area and lounge with corner fireplace. A TV lounge is adjacent to this area. A contemporary feel, tempered by the use of typical Alpine materials and neutral colors, blends harmoniously throughout the residence.

After skiing, relax in the residence's wellness area, including indoor pool, massage room, gym and cosy lounge.

Thanks to its prime location at the bottom of the Courchevel 1850 ski slopes, you will take your skiing to new heights in the 3 Vallées. It's also within easy reach of the lively bars and restaurants of the town center.
