Located at the end of the Allée des Cerisiers, 3 new, unique chalets with top-of-the-range facilities are now available. Chalet enjoys a privileged location with an incredible view of the Dent du Villard and the valley. Ski-in ski-out will be available, subject to snow conditions. The chalet is close to the centre of Le Praz village and to the cable car, which takes you to Courchevel 1850 in just a few minutes.

Chalet is spread over 4 levels around a central staircase. The chic design architecture of this chalet features stone and wood cladding and spacious living areas. The interior design has been thought through down to the smallest detail, using soft tones and soothing materials. The relaxation area has a large swimming pool, two saunas, a hammam and two Japanese baths, in a style inspired by luxurious catamarans.

Chalet offers 5 en-suite bedrooms, including a large Master for 10 guests. At the top, the living space includes two lounges, an open-plan fitted kitchen and a dining area with space for 20 guests, all warmed by a central fireplace. The space offers 360° views thanks to its bay windows that open onto a terrace and balcony with splendid views of the Dent du Villard and the valley.

On your return, you can relax in the wellness area with hammam and sauna, or gather round the fire in the lounge area. For a comfortable stay, breakfast will be served at the table or on the terrace as soon as you wake up, and a housekeeper will take care of the chalet every day.

Large group? This Chalet can communicate with its neighbour, Chalet through the spa area.
