Well known in Meribel for its high quality services. We offer you an exclusive and customized range of services: catering, well-being, activities, entertainment, parties...

Our chef is ready to listen to your needs and to prepare menus according to the season and your desires before your arrival: Savoyard or more exotic menus, gastronomic cuisine for up to 25 people.

The chef works in a kitchen with state of the art equipment: professional stove, electric, gas and steam ovens, meat and fish smoker... You can also choose your own wines in the wine cellar.

Relaxation is the key word at Chalet Tyrosolios. We offer many services to help you relax, including the provision of comfortable linen (bathrobes, towels, slippers and L'Occitane products):

An indoor swimming pool/jacuzzi, heated and covered, which can open on the terrace.

A hammam and a sauna.

A massage room with professional equipment.

A fitness room with all the necessary equipment.

We can organize many services in advance for your stay: massage or physiotherapy services, hairdresser, beautician, yoga or gymnastics teacher,...

Both spacious and modular thanks to its adjoining room. This means you can add a living room, an office or an extra bedroom to create a beautiful master suite.

This is a 31 m² magical suite that can be arranged to your liking. It features: a king-size bed 180×200, separable into 2 beds 90×200, a living room with a sofa and a desk, a bathroom with a bathtub/shower and a separate toilet, a balcony facing south-west to enjoy the sunset.
