The Chalet is located at the edge of the forest, at the foot of the great off-piste of the Jean-Claude cross and the Raffort itinerary.

On the terrace there is an authentic Savoyard chalet fitted out as a sauna and a Nordic kota (BBQ with table and benches).

1st and 2nd floors are dedicated to the bedrooms

On the top floor under the roof you will find a beautiful children's area where you can gaze at the starry night sky (maximum height 1.85). 2 bedrooms and 1 play area with flat screen TV and beanbags.

On the garden level, you will find a covered parking. This parking is accessible from the chalet. It is shared by our guests from the other chalets (Ecume and Abreuvoir).

On the same floor: the chalet's entrance hall with ski room, shoe and clothes dryers, storage lockers. A laundry area is also available with a washing machine for all our guests.
