The main lift hub and center of Meribel are only a 2 min drive. Chalet is located off the Route du Mottaret 400m from La Chaudanne.

Le Chalet is situated in the exclusive Brames enclave, with is accesed by a private driveway and electronic barrier.

Bedrooms are as individual as the spirit of the chalet, with that woody Alpine charm combining seamlessly with state-of the-art technology.

Bathrooms go for total immersion with deep tubs for soaking ski-weary muscles. Downstairs, there are steam and massage rooms and, for after-dinner competitiveness, a billiard room as well as a cinema.

As distinctions between work and life seem to vanish, there's plenty of space and technology to satisfy all needs without encroaching on those bent purely on fun.

Chalet is set up to be the perfect destination for your skiing holiday by experts who know exactly what facilities you want – because they want them too.

Hamman, cold plunge pool, massage rooms, yoga room and gym, outdoor hot tub, sun terraces, cinema, bar, snooker table and yes a study area for those who really, really need to work for a couple of hours a day.

Then for the kids there are toys, sledges and bags of safe space outside for building snowmen, igloos or for staging those good old fashioned snowball ambushes that erupt as the adults slide into the outdoor hot tub....
