The architecture and interior decoration of this beautiful Savoyard **family chalet** are a subtle blend of old wood, stone, leather and glass. The spacious chalet will delight its occupants. A large central fireplace separates the sitting area from the dining room on the main level of the chalet.

The lower level of the family Chalet has huge vertical windows facing south that bring beautiful light into the chalet and behind them a nice concealed terrace equipped with a Jacuzzi which is the promise of a bath in the middle of the preserved nature.
