Chalet is located close to the center, a strategic location that allows you access to all amenities in a few minutes. The ideal location offers you an opening on the 3 Valleys domain thanks to the Golf chairlift accessible a few steps from the chalet.

The property has beautiful volumes such as the living room and its beautiful fireplace which offers an ideal place to share great moments with your family. Thanks to the picture windows, you have a beautiful luminosity as well as a terrace which gives place on the surrounding mountains. The chalet has a traditional construction and decoration, which represents the alpine architecture.

The bedrooms are in the same traditional and warm spirit as the rest of the chalet, they are two double bedrooms as well as a children's room.
