Riding

The unique atmosphere of the five-star Chalet combines softness, charm, and fantasy, offering a breathtaking view of the surrounding mountains. The contemporary and singular architecture of each chalet combines - with elegance - audacity, and tradition, just as their decoration. It combines modernity, vintage touches and unusual details with finesse. Escape, tranquility and voluptuousness: Beyond traditional luxury, here you are elsewhere.

Cozy chalet of 150 sq.m. - on 2 levels - with 3 beautiful ensuite bedrooms and can accommodate from 6 to 8 guests. Surrounded by trees, with breathtaking views of the mountains, this inimitable chalet is tastefully decorated and fantasy down to the smallest detail.

Chalet diverts the clichés in a warm atmosphere. Each room reveals a strong personality. The materials are precious, the traditional coatings, the objects often staggered. Rich textures and raw finishes are always in perfect harmony and the magic of an exceptional place.

Beyond the two south-facing terraces, an outdoor nordic bath offers exceptional moments of pleasure and well-being in nature.
