Shops and restaurants are close by, and Le Praz has easy access to the other levels of Courchevel via a free shuttle service and the new lifts which, in less than 6 minutes, will allow you to do your shopping in Courchevel 1850.

The chalet is built in the typical architecture of the region with a combination of different types of high quality wood. This creates a warm atmosphere where you feel at home.

With a surface area of 250 m² and spread over 3 floors, the chalet has 5 bedrooms in suites and can accommodate up to 10 adults and 1 child (possibility of an additional double bedroom on request).

Its warm living room, composed of a fully equipped open kitchen, a dining area and a lounge area, with its fireplace, will allow you to enjoy convivial moments.
