Elegance and simplicity with a luxurious touches, this chalet will brighten your stay and at the same time ease you with its high quality light brown wood walls perfect combination of colours and big windows that let the light in, with its beautiful panoramic views of Courchevel 1850 and the snowed fir trees forest and the french alps.

Chalet situated in the best area of Courchevel 1850 Cospillot area. With a surface of 1415 squared meters and 7 en suite bedrooms spread over the 7 floors with that capability to accomodate 14 people.

The chalet has large private parking to accommodate more than two cars. At the upper level are the wellness and fitness areas. Two elevators are available, one for the staff and one for the guests of the chalet.

A large bar and discotheque area with a lounge atmosphere, intimate and upscale, conducive to friendly moments with all your family and friends is available. The colours, furniture and lights are oriented towards a soft and felted trend, elegant and modern. You will find several sofas, chairs and stools to spend festive evenings, and you will have many spaces to dance.

On the same floor, a fitness room, a massage room, and an incredible spa. The spa is composed of a superb 19-metre long pool with a large mirror ceiling that gives even more space inside and increases the brightness of the room. The golden decoration of the spa. The colours are warm and other gold touches have an effect such as gold furniture and lights. The spa also has several relaxation areas, including numerous sofas and chairs around the room, as well as a hammam and sauna.

On the upper level is the entrance hall with three double bedrooms en suite, two of which have access to the terrace. A beautiful cinema with the best technologies for optimal comfort. Upstairs three spacious en-

suite bedrooms, including the master bedroom. Sleek lines, a dressing room that occupies an entire part of the wall, original and architectural suspensions to make it easier to read in the evening, beautiful light brown colours highlighting the shape of the furniture and the wood that covers the walls and floor. Magnificent bathroom in super glamorous and bright marble. All the rooms are cocoons where you can take refuge and relax after a long winter day.

Level 2 consists of a huge living room with a fireplace in the centre of the room, separating the living room from the dining room and the kitchen, and large bay windows running along the entire living room and allowing a beautiful natural light to enter. The large soft sofas, will be your favourite refuge where you can find yourself with all your loved ones. You will love the magnificent view of the mountains, from the sofas or in the foreground from the balcony or terrace, as if you could touch them.

The upper level offers you the last two double rooms, one of which is an en suite room with hammam, as well as a mezzanine with terrace. The top floor is composed of an even more intimate second living room.

The chalet offers the services of a butler, chef, waiter and private driver.
