In the district of the old village of Val-d'Isère, there is the chalet, which enjoys an ideal location. Indeed, in addition to the authenticity of the old village with its narrow streets reminiscent of traditional Savoyard mountain villages, the snow front is only a hundred metres away on foot. For the centre of the resort, it is a few minutes walk away, while the amenities are all within a close perimeter.

The Chalet can accommodate 10 people in its three rooms en suite, its windowless room and its magnificent master bedroom. Entirely made of wood, this chalet offers 220m² of cosy space including a large living room. It is bright thanks to its large windows, and fireplace.

You will find a fitted kitchen opening onto the room, giving the chalet a friendly side that will please everyone. From the beautiful balcony you will be able to enjoy a sublime view of Val d'Isere.

After a day of skiing, you can relax in the hammam located on level 0 of the chalet. The lift and the ski room add up to the upscale amenities the chalet makes available.

The Chalet will meet the expectations of families or groups of friends looking for a cottage enjoying perfect location within the beautiful resort of Val d'Isere.
