Chalet for rent in Courchevel 1650 Moriond

The chalet, located at the entrance to Courchevel Moriond, enjoys a dream location close to the centre of the resort and the ski slopes. This prestigious chalet promises moments of relaxation and sharing in the heart of the most exclusive resort in the Alps.

In 2013, the chalet was given a new lease of life when it passed into the expert hands of the interior design firm Civel, who completely redesigned the luxury chalet. Inside, the codes of the mountain are very present with the use of traditional materials such as wood, stone, skin or fur.

The decoration of this top-of-the-range chalet is a subtle mix of styles: the clean lines are reminiscent of the contemporary style while certain traditional mountain elements bring warmth and conviviality. The style of the luxury chalet could therefore almost be described as Contempor'Alpin.

You will appreciate the beautiful volumes and the numerous high-end facilities offered. This prestigious chalet can accommodate ten adults in its five en suite bedrooms. The top level of the chalet is occupied by two large en-suite master bedrooms with dressing rooms, office space and a south facing balcony for one of them. The living room with library is separated from the large dining room by a magnificent central fireplace integrated into the wall partition.

The garden level, snowed in all winter, is the level dedicated to well-being and leisure. You will find a Spa area with XXL Jacuzzi, hammam and solarium, a fitness and massage area, a lounge area with bar and billiards as well as a cinema room. Take advantage of the hotel's extra services such as breakfast preparation by the housekeeper, daily cleaning and a driver for your travels in Courchevel.

The chalet is a luxury chalet in Courchevel Moriond that will not leave interior design enthusiasts indifferent. Its top-of-the-range facilities and the quality of service for which it is renowned in the Alps will appeal to demanding families or groups of friends, used to the best in real estate.
