## Chalet for rent in Courchevel 1650 Moriond

The Chalet is located in the Route du Belvédère area, in Courchevel Moriond, at the end of a street on the edge of the forest, where tranquillity and a change of scenery reign. Its location allows you to reach the resort centre and the ski slopes quickly on foot.

The chalet is made up mainly of high quality wood, such as the magnificent ceiling and its exposed beams. The trendy mauve interior design gives the chalet a calm, soft, relaxing and romantic atmosphere.

The 6 cosy bedrooms and the beautiful living room with fireplace, sofa and cosy textiles make you feel at home immediately. After a beautiful day of skiing, the half-moon sofa facing the fireplace will be your favourite place to "cocoon" with your loved ones.

The large windows offer excellent natural light and a magnificent panorama of the mountains and surrounding nature. You'll love lounging in the master bedroom while taking a hot bath facing the snow-covered fir trees: a real change of scenery!

The chalet has six cosy bedrooms, bringing the total capacity to ten adults and two children: three double rooms, a master bedroom with a magnificent view, a family suite and a children's room.

Amongst the various high-end facilities, the relaxation area is one of the main assets of the chalet. You can take a dip in the indoor swimming pool, choose your own jacuzzi (indoor or outdoor with direct access to the forest), or relax in the sauna, before enjoying a good movie with the family. The level of equipment at the Chalet is worthy of a wellness establishment.

This chalet is the ideal place for people looking for a property with a high level of facilities, in a quiet and unspoilt location, yet close to the resort centre and ski slopes.
