## Chalet in Courchevel 1650 Belvedere for rent

The chalet, located in the Belvedere area, a few minutes from the centre of Courchevel Moriond, enjoys a dream location on the slopes. This luxury ski in/ski out chalet is the best in Courchevel 1650 and has nothing to envy to the mythical prestige chalets of Courchevel 1850.

Designed by Jeanne-Valérie Thura, a renowned Courchevel architect, the chalet has a contemporary feel. While noble materials dress the space, the furniture is modern and the decoration minimalist. Light wood, neutral tones, nothing should stand in the way of the snowy landscape that streams in through the windows.

With a surface area of 675m², this prestigious chalet easily accommodates 14 guests. It offers six en-suite bedrooms, including two master bedrooms with dressing rooms, private balconies and ethanol fireplaces.

One of the major assets of this chalet is its wellness area, which occupies a complete level. Guests can enjoy a beautiful indoor pool and jacuzzi, a luxury hammam and a massage room. Or work out on the state-of-the-art fitness equipment in the fitness room. There is also a children's playroom and a comfortable ski room to welcome you back from skiing. And let's not forget the very large garage which can accommodate up to ten cars.

If you are looking for a modern and fully equipped cocoon in the 3 Valleys, large enough to accommodate your family or your tribe, the chalet is for you.

Its location at the foot of the slopes will seduce you so much that you will only have one idea: come back!
