Stunning chalet for rent in Morel, Méribel with 550m² and 6 bedrooms that can accommodate 12 guests

Chalet is a stunning chalet, situated in the Morel region in the heart of Méribel. It's enviably located just across the road from the Morel chairlift and the Hulotte piste allowing direct access to the pistes. The chalet is large and imposing, exquisitely designed by the well-known Alpine interior designer, Nicky Dobree, bringing you 550m² of space arranged over five floors, with the added convenience of a lift. It has been created with relaxation and enjoyment at the forefront of its design.

The entrance to the chalet leads to a central foyer with a bird's eye view of the living and dining area on the level below. A well-equipped boot room and cloakroom are located on this floor with their own separate entrance. Above, is the games room hideaway with a snooker table, widescreen TV and comfy sofas.

Below the entrance foyer is the main living area with triple-height windows and panoramic mountain views. Wide glass doors open up to a large sunny terrace with outdoor seating and inviting comfy sofas surround a central dual aspect fireplace in the living room, adjacent to the dining area and kitchen. The TV snug has a widescreen with Sky and Apple TV and this adjoins the study which has two iMac computers and a printer for guest use, perfect for keeping in touch with work, or for teenagers who need to study.

On the lower levels, two master suites and four double/twin bedrooms are spread over two floors. Impeccably designed and furnished, each room is generously sized and has separate marble tiled en-suites with a bath and shower. A Bose sound system and mood lighting are installed throughout. Five of the bedrooms have direct access to a balcony or terrace with wonderful mountain views.

The spa is located on the lower ground floor of the chalet and provides the perfect environment to unwind after a day on the slopes. The stunning sunken Jacuzzi is large enough to fit the whole family and leads to the sauna and massage room. If you need to keep up with training while away, there is a gym with a state of the art treadmill and bike and a fully integrated sound/TV system.
