Newly renovated chalet for rent in Courchevel 1850 with 400 sqm and 4 bedrooms for 10 guests

The newly renovated chalet is one of the leading private homes in Courchevel 1850 and was the former summer residence of Baroness Margaret Thatcher. Located in the exclusive, gated Hameau de Cachemire, it boasts one of the most desired addresses in this fashionable resort and provides easy direct Ski-In/Ski-Out access to the green Bellecote Piste, bringing you directly to the heart of the resort and main lift departures.

This modern alpine chalet underwent a recent €1 million renovation, increasing the size of the chalet and bringing you four floors of complete luxury. It accommodates ten adults in a sumptuous double master suite, three double bedrooms, a large windowless children's room that sleeps up to four children in gorgeous cabin bunk beds, and a smaller, windowless 10m² double room – perfect for nannies, staff or children, all with en-suites and/or Jacuzzi's.

Adjacent to the bunk bedroom is a convenient lounge area with a TV, great for children to relax and play. It is the very epitome of alpine chic and offers over 400m² of living space.

The spa features an indoor swimming pool with a mood lighting system. Alongside the compact Hammam and Sauna, the spacious massage treatment room works a treat for post-ski recovery, and a Pilates/yoga/stretching/workout area is incorporated on the mezzanine level above the pool.

Nearly every window in the chalet frames a beautiful panoramic vista. A lovely south-facing terrace catches the morning sun and is the perfect place for a breakfast coffee or by evening, unwind with a glass of champagne and a warm blanket to watch the starry skies.

The entire top two floors of the chalet were renovated and refurbished in 2019 to provide a spacious open plan, double-height living and dining area, complete with brand new furnishings and a private office at mezzanine level.

After a long day exploring Courchevel, relax by the dual aspect fireplace with your favourite drink, or enjoy the glass-enclosed, state of the art design kitchen.

The chalet boasts a modern and chic new interior while maintaining an awe-inspiring authentic feel. It is fitted with the latest modern conveniences, WiFi and a comprehensive television, music and entertainment system, connected throughout the chalet.
