## Unique chalet for rent in Val d'Isère with 500m2 and 6 bedrooms for 12 guests

Chalet is a unique chalet. Located in the heart of the high altitude resort of Val d'Isère, this luxury chalet retains a feeling of exclusivity and enjoys stunning views of the infamous La Face piste.

The property is spread over 500m2, sleeping 12 adults in six en-suite bedrooms. An additional two children can sleep in an adjoining bunk room. A large open plan living area with a grand piano and open fire also has a bar, ideal for socialising after a day on the slopes. The dining area is large and comfortably seats everybody, giving views over the La Face piste and the village church spire. The downstairs private bar and relaxation area is ideal for après-ski or a post-dinner drink and comes complete with bar games.

It's spa facilities are phenomenal. Located on the ground floor is a large indoor swimming pool with a state-of-the-art projector screen descending at the touch of a button, along with a massage room, sauna, Hammam, gym and indoor Jacuzzi. A further outdoor hot tub is accessed via the front bedroom terraces. It's pools and jacuzzis use the latest ozone technology to be completely chlorine-free. The natural freshwater oxygen process provides a non-toxic, healthy and environmentally friendly alternative.

The Chalet is perfect for families, with a mezzanine lounge area ideal for children, complete with widescreen TV and games console.

The entire chalet is packed with state-of-the-art technology including plasma TVs in each bedroom and drop-down screens in the lounge and pool area, all of which are connected to the chalet's multi-media
