**This is an exquisite apartment for rent located at the Rond Point des Pistes in Méribel with 290m2 and 4 bedrooms for 8 adults and 4 kids**

It enjoys an ideal ski-in/ski-out location adjacent to the green 'Forêt' piste and is only one minute's ski away from the 'Adret' ski lift.

Beautifully refurbished using aged wood and local stone on the exterior, it oozes Alpine chic style. The spacious interior brings you 290m2 of traditional Alpine style paired harmoniously with modern technology.

This luxury self-catered apartment has been designed by Nicky Dobree, a well-established designer, famed for being featured on Grand Designs. Nicky also designed Chalet Le Grenier and Apartment Étoile Filante.

Featuring a master bedroom with ensuite and Hammam shower, alongside 3 other ensuite bedrooms and a bunk room, it sleeps 8 adults and 4 children.

After a long day on the slopes, ski right up to the apartment and safely store your equipment in the private ski locker complete with boot warmers.

Unwind in the movie playroom with your favourite film or sip champagne on the south-facing balcony while enjoying the beautiful unobstructed views over the Méribel valley.

It benefits from having onsite parking, so you can relax and enjoy the resort while also having the flexibility to travel should you wish.

Make the most of your stay by letting organise all aspects of your holiday, such as ski lessons, nannies and activities. Your lift passes and ski hire equipment will be delivered to your door. We also organise a daily breakfast basket delivery and pre-arrival shopping if needed and can even take delivery of food services such as Hu.ski. Let us make your holiday as relaxed and enjoyable as possible.
