Chalet for rent in Plantret, Courchevel 1850 with 787 sqm and 6 bedrooms

Ideally located on the mountainside with privileged access to the slopes of the largest ski area in the world, the chalet offers a unique experience in the prestigious resort of the 3 Valleys. Decorated in the pure respect of the alpine traditions and fully equipped with state-of-the-art technological devices, this chalet offers spacious suites and large terraces with panoramic views.

The Chalet is located on the edge of the Plantret slope in the very sought after area Chenus, making part of the Hameau de la Volière, a group of three ultimate luxury chalets not far from the centre of Courchevel 1850. The Chalet, famous in Courchevel, not only for its natural beauty but its renown : one of the biggest chalets built in past years.

The **ultimate luxury chalet** overlooks the valley, with stunning panoramic views of the surrounding peaks of the Bellecôte glacier. The contemporary design, sleek and cozy brings a unique ambiance that reminds you that you are in Courchevel.

The living room is very cozy and was designed by architect Christophe Tollemer, as all three chalets of Vollière. Each of these ultimate luxury chalets owns its proper spirit though.

The fireplace made of grey stone and light wood warms the room during the long winter evenings. Take a seat in the large convertibles sofas and armchairs made of wood and beige fabric to gather after a nice

day of skiing.

Just like the large oval wooden table in the dining room or the Savoyard bench in the lounge, numerous furniture, lamps and other decorative elements were custom made for the chalet . A huge wrought iron metal branch rises on its full height and welcomes a porcelain birds aviary.

The level of performance and service of the chalet is a **true five star refuge** for up to 12 people. Its master bedroom represents what is best in Courchevel : a blending of linen and wood covers the walls and furniture is made to measure. The room houses a lounge, a bathroom with shower and bath as well as a stylish dressing in which the purists will appreciate all of the black velvet hangers.

This ultimate luxury chalet is also equipped with a private ski room and a **wellness area** with pool, spa and gym. The level of service offered by the chalet is worthy of the most prestigious hotel establishments: chef, butler, driver, ski lessons, massage. Everything is done to make you spend an unforgettable stay.

The chalet seduces a demanding clientele accustomed to the **best service** and sensitive to the interior design. This ultimate luxury chalet in Courchevel is emblematic: a week at chalet will be like no other.
