## This charming fully equipped chalet is close to the centre of Meribel Village.

It will allow you to quickly access all the amenities of the resort such as its restaurants or sports shop. The Golf chairlift, which is only a few minutes away from the Chalet, will take you easily to the slopes of the largest ski area in the world. You will be able to reach the centre of Meribel thanks to a shuttle bus which runs every 15 minutes.

Chalet has a typical Savoyard architecture with a preponderance of wood, from parquet flooring to exposed ceiling beams. The touches of colour, as in the furniture in the living room or in the bedrooms or bathrooms, bring a lot of warmth to the chalet, while energizing the whole. The fireplace in the living room creates a real relaxation area, ideal for sharing moments with family or friends.

Five bedrooms make up the apartment, including one double bedroom ensuite, three double bedrooms and two children's bedrooms, bringing the capacity to 10 people. They are decorated in the same style as the living room with the presence of wood and touches of red colour. Chalet has its own relaxation area with the presence of a sauna, nothing better to eliminate toxins after a beautiful day of skiing!

Comfort above all with our Explore Collection: a selection of traditional, well-equipped and warm apartments and chalets. Your cozy refuge where you will let yourself be carried away by the stories of your days, the one that will shelter your joyful moments of a stay in the open air.
