This is an exceptional chalet of 400 sq.m for rent, the decoration is rustic but also design, in the heart of Courchevel 1850, within Bellecôte.

Wood is the main material that makes up this chalet. This one offers a large, chic and comfortable living room where it is pleasant to stay during the winter. High ceilings, design fireplace, sumptuous chandelier, direct access to the balcony facing the snowy panoramas. It is perfect for people seeking a peaceful place in nature where to relax and disconnect the time of a stay.

It is also equipped with a modern kitchen and open to the dining room and lounge. Cosy plaids and carpets, pictures of deer and bear which reminding the nature. Its 6 rooms are all as cozy as the others and decorated in a Alpine style. You can also admire a magnificent view from the rooms thanks to the large patio door while you are having breakfast.

You will appreciate the beautiful golden colors of the bathrooms, these blend perfectly with the neutral tones and the wood color of the chalet.

The lower part of the chalet consists of a large spa area with a sumptuous stone wall that runs alongside the Jacuzzi, the rain shower as well as a beautiful hammam in golden tones and a massage room. Nothing like a pure moment of relaxation before spending an evening movie in the cinema with the beautiful and comfortable red armchairs to be fully immersed in the atmosphere.

There is also a beautiful wine cellar, a ski room with dryer-gloves and shoe-dryers, an access for skiers through the garage. Les 3 Soeurs is located near the ski slopes and 830m from the ESF ski school. It can accommodate up to 10 adults and 2 children, perfect for a mountain holiday with your close family or friends.
