Chalet in Meribel Village with 222 sqm and 5 bedrooms for rent

Duplex apartment in a traditional chalet. The chalet featured an architecture composed of traditional local materials. It is located in the centre of Meribel Village, a few minutes from the ski pistes and ski lifts.

The flat for 10 people benefits of a vast living area, which consists of a modern open plan kitchen with a glass veranda, leading onto the dining room and the living room. Floor-to-ceiling windows welcome the light into this bright and warm apartment and provide access to the balcony, which benefits from its South exposure. Make the most out of the sauna, or the second lounge where a fireplace awaits, to relax after a day on the ski pistes.
