## Chalet for rent in Cospillot, Courchevel 1850 with 240 sqm and 5 bedrooms

Chalet is located in the popular Cospillot area of Courchevel 1850, slightly set back from the centre but still within easy reach, and the ski slope of the same name borders the area.

During your stay at the chalet, you will only need to walk 200 metres to reach the resort centre and another 200 metres to reach the ski area.

Chalet is the perfect place to stay on a ski holiday. It offers cosy spaces, plenty of warmth and is perfectly matched to the colourful touches in the chalet. From the comfortable seating in the living room, cosy in front of the fireplace, you can enjoy the panoramic view of the Courchevel valley.

The chalet has four double bedrooms and one bunk room, bringing the total capacity to 10 people.

After a great day's skiing, you can leave your belongings in the ski room and eliminate toxins in the chalet's two hammams. The TV lounge allows young and old to enjoy a film in peace.

To make your stay even more enjoyable, many "à la carte" services are available.
