## Chalet in Méribel Village for rent in 200 sqm and 5 bedrooms for 10 people

This charming, fully equipped chalet is located near the centre of Méribel Village. It offers quick access to all the resort's amenities such as restaurants and a sports shop. The Golf chairlift is only a few minutes away from the chalet and will take you easily to the slopes of the largest ski area in the world. A shuttle bus runs every 15 minutes to the centre of Méribel.

The Chalet has a typical Savoyard architecture with a preponderance of wood, from the parquet floor to the exposed ceiling beams. The touches of colour, such as in the living room furniture, bedrooms and bathrooms, bring a lot of warmth to the chalet, while making it more dynamic. The fireplace in the living room creates a real relaxation area, ideal for sharing moments with family or friends.

Five bedrooms make up the flat, including a double room, three double rooms and two children's rooms, bringing the total capacity to 10 people. The bedrooms are decorated in the same style as the living area, with wood and touches of red.

The Chalet has its own relaxation area with a sauna, the perfect way to get rid of toxins after a great day of skiing!

The Chalet is the ideal place for a family or friends looking for a cosy, authentic and ideally located property with a large capacity and many facilities.

To make your stay even more enjoyable, many à la carte services are available.
