## Chalet for rent with 220sqm and 6 bedrooms for 12 guests in Chamonix

This chalet is a superb Chamonix chalet on 3 levels, located in the Bois area. It is very close to the golf course and 4 km from the centre of Chamonix (5 minutes by car). The green environment and the breathtaking view of the Mont-Blanc massif invite you to a total disconnection.

Combining contemporary and alpine style, the decoration breathes comfort and warmth. The meeting of raw materials such as old wood and stone determine the character of this property. The authentic and sober decoration elements create a world of its own in this chalet.

The living room, including the large equipped kitchen opening onto the dining area and the lounge, is a bright, warm and friendly space where you will love to meet. You will love to gather around the fire after a beautiful day on the ski slopes.

Six bedrooms, five of which are en suite, make up this property, bringing the capacity to 12 people.

For an even more relaxing holiday, the private hammam will delight you.

A ski room, a large garden with a view of Mont Blanc and a covered outdoor car park complete the services offered by the chalet.

This property is the perfect place for a successful stay with family or friends!

Outdoor Jacuzzi not usable and not included in the rental price.
