Chalet for rent in La Tania, Courchevel with 5 bedrooms and 140 sqm

Located in the Chalets district, in Courchevel-La Tania, the Chalet has benefited from a major renovation. Its dominant location boasts exceptional views of the Vanoise peaks. It also offers easy access to the La Tania cable car, which takes you to the Courchevel slopes in a few minutes.

Spread over three levels, the chalet can accommodate 10 people in 5 bedrooms, 3 of which have ensuite bathrooms. The last level under the roof is dedicated to the living areas. The kitchen, dining room and living room with fireplace share this large open space. The glass gable allows plenty of light to enter. A terrace surrounds the chalet and gives access to the outdoor jacuzzi, a promise of relaxation in the heart of the Alps. Two outside parking spaces and a ski room complete this beautiful chalet.

Located 5 minutes from the Courchevel-La Tania snow front, it is ideally placed to enjoy unlimited skiing on the 3 Vallées slopes. It will also be the base camp for outdoor enthusiasts, who can explore the magical La Tania forest on foot, snowshoes or cross-country skis. And in the evening, enjoy La Tania, a human-sized ski resort.
