Wood with the patina of time, century-old beams, glass tiles: the chalet assumes its traditional style. Balanced between the rusticity of a mountain refuge and the luxury of the Courchevel chalets, it has a warm, welcoming and authentic atmosphere. An atmosphere that can be felt in the vast living room, with its cathedral ceiling, wrapped in old wood. But also in the seven bedrooms - 4 double rooms, 2 children's room, 1 master bedroom - designed as mountain hideaways. Surrounded by balconies or terraces on each level, the chalet allows its guests to enjoy the natural setting at any time.

The chalet does not omit modern comfort and essential services. A relaxation area will welcome you after skiing. It includes a hammam, a massage room and an outdoor hot tub. The perfect place to watch the snow cover the fir trees, while relaxing in the hot water. There is also a gaming room with table football and arcade games.

Just 50 metres from the Cospillot or Bellecôte slopes, Chalet lma is ideally located for skiing. You will easily hit the slopes of Courchevel, one of the most attractive for ski and mountain lovers. The resort is part of
