Chalet for rent in Courchevel 1550 Village with 320 sqm and 5 bedrooms

The Chalet, located in a quiet area of Les Provères, is a mountain chalet in Courchevel Village. This traditional chalet enjoys a privileged location in a sector where serenity reigns, a few hundred meters from the slopes, the ski lifts and the centre of the resort.

The exterior architecture of this mountain chalet is authentic in style: the wood covering the facade continues into the interior, where this natural material is used in the exposed timber work and on the walls, like in traditional mountain chalets. Stone is also used on the columns supporting the chalet. The imposing aspect of this material is due to technical requirements, but it also gives this delightful mountain chalet its rustic charm.

The interior decor is a subtle blend of wood, fur, hides and antlers, as well as typical Alpine objects. This Alpine yet contemporary style is one of the specific characteristics of the Chalet, giving it welcoming ambiance.

You're sure to appreciate the vast spaces and the numerous top-of-the-range amenities provided at the Chalet. This mountain chalet sleeps up to 10 people in its 5 en suite bedrooms.
