Chalet Meribel with 400 sqm and 5 bedrooms

Chalet with a view and indoor pool in the heart of Meribel

Reflecting the local architecture of Meribel, the Haapiti chalet displays a generous and warm interior.

The hub of the chalet consists of a beautiful living room which has maintained an authentic alpine feel. Whether you choose the cosy seating area around the fireplace, or the reading lounge with its comfortable sofas, everything invites you to laze around the chalet. A vast dining space, a bar area and a fully equipped kitchen complete this space. The outside terrace, facing south-west, offers a view of the village and the surrounding countryside. The chalet has four en-suite double bedrooms and a children's room which can sleep four. The master bedroom, located on the top floor of the chalet, features its own private balcony, dressing area and an en-suite bathroom with a stunning freestanding bath tub and a shower.

After a long day on the slopes, you can enjoy a swim in the large indoor pool located on the ground floor which overlooks the pistes. There is also gym equipment for anyone looking to stay at peak performance during their stay.

Located in the Dou du Pont area, this prestigious chalet benefits from a quiet and green environment, while remaining close to the centre of the resort and the ski slopes. The snow front, the ski school and the 3 Vallées ski area are about 400m away. A free shuttle bus runs throughout the day.
