Chalet for rental in Courchevel 1550 Village with 248 sqm and 5 bedrooms and 5 bathrooms

The Chalet, with its modern decor and stunning views, is a luxurious and sophisticated alpine retreat. Its large glass windows let in natural light against a panoramic view of the mountains.

In the morning, wake up to the rhythm of nature and gather everyone in the kitchen to prepare a breakfast to share around the large table! Then treat yourself to a relaxing massage before heading to the ski room to put on your boots and hit the slopes with the family. Back at the chalet, relax in the sauna or the Nordic bath on the terrace. In the evening, warm up by the hanging fireplace while watching a good film!
