Door step skiing, located in the chalet area of La Tania, chalet has a commanding position offering fantastic views across the valley.

Ski in - Ski out to the bottom of the Muretta Blanche piste, very close to the Telecabine and only a 5 minute easy walk to the town centre.

Chalet is a modern luxury chalet with a spacious open-plan lounge and dining area. Large windows offer spectacular panoramic mountain views.

Relax in comfy wrap around sofas next to a log burning poele fire, and a flat screen smart TV. (Freeview & Netflix included)

Our good sized, fully equipped, chalet style kitchen will make catering for your friends and family both easy and fun! We include Savoyarde hot rock/raclette and cheese fondue machines.

There are seven bright, spacious twin/double bedrooms, and one charming single room. Each room has an en-suite bathroom, six with full sized baths/showers and two with walk-in showers.

Beds will be made ready for your arrival. Complimentary bath mats, hand & bath towels, bath robes, hand soap and hair dryers will be provided in each room.

For our younger guests, we can offer small children's beds, travel cots and linen. We are also happy to provide child safety gates, high chairs or boosters, child toilet seats and step, and children's diner sets.

Build a snowman and enjoy the delights of bum boarding along side the chalet. Relax and help soothe aching muscles in your very own Scandinavian sauna and hot-tub Jacuzzi.

Chalet has free WIFI throughout, ample ski storage, modern boot warmers, washer, dryer and private parking.
