Chalet is a traditional wooden chalet, with modern luxuries, spacious open plan lounge and dining area with modern log burning Poêle fire surrounded by comfy sofas and many windows to take advantage of the beautiful mountain views. There is a flatscreen T.V offering Freeview & Netflix and of course free wifi throughout. The good sized, fully equipped, chalet style kitchen will make catering for your friends and family easy and fun! We include Savoyarde hot rock/raclette and cheese fondue machines.

Chalet accommodates up to 13 guests over three floors. There are six tastefully decorated chalet style bedrooms, all can be either twins or doubles with one super sized room on the third floor easily adapted to a triple. Each room has an en-suite bathroom, three with baths/shower and three with walk in Italian style showers.

Beds will be made ready for your arrival. Complimentary bath mats, hand & bath towels, bath robes, hand soap and hair dryers are provided.

For our younger guests, we can offer small children's beds, travel cots and linen. We are also happy to provide child safety gates, high chairs or boosters, child toilet seats and step, and children's diner sets.

Chalet offers plenty of ski storage, modern boot warmers, washer, dryer and free parking for up to 3 cars.
