Sleeps 14 | Meribel Chalets Centre

A well-known and impressive chalet in the centre of Meribel is built over three floors with truly spectacular views of the Meribel Valley. The central location of the chalet is ideal for easy access to the resort, shops, and bars and there is a Meribus stop right outside....

The central suspended wood burner is eye-catching and a focal point of the open plan living and dining area. There are simply breathtaking views of the Meribel Valley from the lounge and most of the bedrooms. There are two double bedrooms and five twin bedrooms all offering en-suite facilities, five with a walk-in shower and two with a bathtub. The outdoor jacuzzi is conveniently located on the south-facing sunny deck and there is a Private Cinema room on the first floor. All the bedrooms are light and spacious. Most have shared south-facing balconies with the same dramatic views as the rest of the chalet. There is ground floor access via a heated boot room with internal access to the rest of the chalet. There is a minibus to the slopes at the beginning and end of the day
